Delay the Dancing, Not The Memories

Here at the Richmond Park hotel we prioritise the safety and wellbeing of our guests and associates, this makes us the best venue to host your intimate special day.

Face masks and hand sanitiser may be the new normal, however our team can continue to deliver the exceptional hospitality at the core of our values no matter the situation.

With times now more uncertain than ever why delay the day you have been waiting for any longer? Book our socially distanced wedding package and celebrate with us.

We pride ourselves on exceptional service and incredible attention to detail, however a lot of the detail has been restricted, our team can still create wonderful memories for you and your guests.

We strive to deliver the perfect day. Our professional team are ready to deliver your memorable day
